

Coundon Primary School

Together Everyone Achieves More

Eco Squad Meeting: Tuesday 29th September

- Well done to all members on being voted as Eco-Squad member for your class. You have clearly impressed your classes with why you should represent your class and should be proud of this fact.
- Discussed litter picking duty - voted that eco-squad would like to do this and discussed how and when to do this. See rota for more details.
- Discussed fruit bins and compost - how and when to do this. See rota for more details.
- Mr Scott asked for ideas from the eco-squad about what they would like to improve / do this year.
 - Get some more chickens - Mr Scott to discuss with Mrs Maude
 - Planting flowers - this will be done nearer to Springtime (will discuss what flowers closer to the time)
 - Encourage bees and butterflies - wildflowers will help with this and bug hotel needs to be improved.
 - Lights off and interactive board off in classrooms - Your role as eco-squad to check this when leaving the classroom.
 - Walk to School Challenge - Your role to remind teacher to complete each day (classes may have someone else doing it but you can remind teacher)
 - Create a hedgehog hideaway - Mr Scott to investigate resources
 - Create eco-challenges for the school - giving rewards if completed - Mr Scott to discuss with Mrs Maude and leadership team
 - Encourage use of bins - eco-squad to think about ideas about how to do this.
 - Child asked if this could be shared with parents - Mr Scott to organise email out to parents.
- Mr Scott and the eco-squad then went outside and completed the fruit bin / compost job so everyone could understand what to do.
