School Council Minutes November 29th 2023

Present: Mrs Maude, Scarlett, Ivy, Asher, Joel, Reggie, Avani, Ronak, Finn, Muha, Aria, Robin, Frankie, Brodie

Charities the children would like to support and why.

- The Wildlife Foundation – To help all the animals
- NHS – To help ill people and make improvements towards hospital facilities
- Macmillan – Many of us know people with Cancer and would like to contribute to research towards finding a cure.
- Zoe's Place – Younger children may need our help to have a longer life
- Help the Homeless – We get upset when we see people without shelter in Coventry city centre. Not nice knowing people are experiencing homelessness particularly at Christmas.
- Make a wish Foundation – To provide children with a lasting positive experience. Good for families too to be able to reflect on this happy time which may help with grieving
- Water Aid – Many people around the world do not have fresh water
- Conflict in Palestine – We want to provide war relief to those families who are suffering
