

Coundon Primary School

Together **E**veryone **A**chieves **M**ore

School council meeting 8/10/20

Returning to school. How it has been for children?

3DW - nervous at the start but all settled now. They were excited to be back and relieved as things were back to normal. Happy to see friends and teachers.

6BB - strange because of the social distancing and they liked having more responsibility.

5JT - it felt strange facing the front and not being able to turn round.

Feelings about learning

4PP - They enjoyed their learning and liked coming to school.

4AT - The learning was going well and it was fun but children felt frustrated as they couldn't touch things e.g the rocks - we couldn't touch as they would have to be cleaned.

3DW - scared about getting things wrong as they have forgotten some things. Lots were glad to get back on their Maths. They all felt happy and were trying their best with their. Lots thought they might get into trouble if they got things wrong.

5RB - worried at first and anxious about year 5 work being difficult and the fact they had missed a lot of year 4. Some felt it was too challenging and they were struggling. Others felt the work was pitched accurately.

6GM - learning has been fun but have some struggled to get back into it.

Strengths of school

- Having fun and we all persevere we don't give up
- Good Team work
- Keeping everyone safe
- We help one another
- Independent workers
- Teachers take care of the children
- Caring and we raise money for different charities
- Feel safe during corona virus and the measures that have been put in place make us feel teachers are keeping us safe and we looked after.
- We get lots of support
- School puts the children's safety first
- The school provides a good education

What we could do to improve our school

- children look after school property better
- Improve the sheltered areas
- Friendship branches

- More Clubs
- Replace the Bop it or repair it
- Have a vegetable garden
- Longer playtimes
- Be mindful of not wasting hand sanitizer
- More bins around outside
- Football games seem to take over playgrounds
- Monkey bars
- Compost bins
- More Forest school
- Basket ball hoops to be fixed on 5/6 playground
- More iPads so we don't have to share
- More playtime games
- Real Footballs & Basket Balls not sponge

Ideas for children in need

- A mud run on the field
- Sponsored water fight
- PJ Day
- Design a Pudsy poster
- Book sale/ make t shirts to wear
- Cake sale
- Watch videos about some of the children we are helping
- Sponsored Cross Country
- Dress up day

Would love a Christmas Fayre if possible
