

# Summer Term in Year 1

## Phonics

The children will continue to have daily phonics lessons using the **Read, Write Inc.** scheme.

**Read Write Inc.**  
Phonics

Children to continue reading their weekly books and also access the online quizzes which will be set by their RWI teachers.

All children should now have their log ins for **Reading wise**. We will be using this for h/wk. Any problems let us know!

**We are reading...**

Non-fiction  
and poetry  
books

## Discovery

Our topic this term is Flight!

In this topic the children will learn about the history of flight. They will look at the 'Wright brothers' and other influential people. We will explore what flight means to the children and collect ideas.

If you know of any pilots who would be willing to share their experiences of flight please let us know!

## Science

Seasonal change

How has the weather changed? We will reflect on the seasons. Do the school grounds look different from the Autumn term?

On Safari. Looking at vertebrates & invertebrates (basic classification of mini beasts & other animals)

Plants & Animals Classifying animals and grouping different plants.

## Key Dates

**Year One Wow Day!**  
**Monday 19<sup>th</sup> May**

We will be celebrating our topic Flight by taking a virtual visit to Spain. The children will have an exciting day with lots of activities. More information to follow.

**KS 1 Sports Day Wed 9<sup>th</sup> July**

## Maths

We will be looking at the following areas in Maths:

- Multiplication & division
- Fractions (recognise half & quarter of shapes and values)
- Position and direction
- Place value (within 100)
- Money
- Time

## Art/Music

The children complete and artist study of 'Robert Bradford' and continue to use their sketchbooks. Using ideas from our chosen artist they will design and make their own rockets using recycled materials.

They will also make paper mache balloons alongside their topic 'flight'.

Using the scheme 'Charanga' the children they be thinking about 'Performance' and will learn lots of exciting new songs, as well improve rhythm skills.

## PSHE

### Relationships

The children will discuss who is important to them as well look at how to make friends and care for others. They will learn about 'Respect' and positive relationships with friends.

### Changing me

The children will use the scheme Jigsaw to learn about:

- Life cycles
- My changing body (from being a baby)
- Learning & growing

## Class emails

Feel free to contact class teachers if you have a question:

[1BD@coundon.coventry.sch.uk](mailto:1BD@coundon.coventry.sch.uk)

[1AS@coundon.coventry.sch.uk](mailto:1AS@coundon.coventry.sch.uk)

## DT

The children will be able to explore and then design their own paper kites. They will then have time to test them out. Which kites worked best? Why? What can we do to improve our designs?

## Computing

### Creating Media – Digital imagery

**Let's be creative!**

Using creativity and imagination the children will plan a mini adventure story and capture their ideas using photography. Children will use editing tools as well as search for their own images. This will result in a high-quality collage showcase!

## PE

Our PE days are Wednesdays and Thursdays

Dance  
Real PE / Athletics
